

PACER VINYL & FABRIC PAINT

PACER® VINYL & FABRIC PAINT Technical Data Sheet (TDS)

Product Description

Pacer Vinyl & Fabric Paint is a premium quality, fast-drying aerosol coating specifically formulated to restore, recolour and protect interior vinyl, fabric and flexible plastic surfaces. The specialised flexible coating provides excellent adhesion while maintaining the original texture of the substrate. Once cured, the finish resists cracking, peeling and chipping under normal service conditions.

Ideal for automotive restoration, marine applications, commercial vehicles and general refurbishment projects.
